Asunto: Nominations Now Open for 2027 IFAC Board and Advisory Groups Positions

Dear Colleagues,

Thank you to everyone who joined us in Mexico City – both in person and virtually. Last week marked a significant milestone for our profession with the Council’s approval of IFAC’s new Strategic Plan. Together with our Members, we now embark on the next phase of shaping the future of the global accountancy profession in the public interest.

Achieving IFAC’s ambitious goals would not be possible without strong leadership and the talented, dedicated individuals who volunteer their time and expertise. Today, I encourage you to join this community and make a global impact.

The [Call for Nominations for 2027](#) is now open. This is your chance to contribute—to bring your experience, your insights, and your passion to help build an even stronger profession. A wide variety of opportunities are available with the following groups, including:

- [Deputy President and IFAC Board](#)
- [Nominating Committee \(NC\)](#)
- [International Panel for Accountancy Education \(IPAE\)](#)
- [Small and Medium Practices Advisory Group \(SMPAG\)](#)
- [Professional Accountants in Business Advisory Group \(PAIBAG\)](#)
- [Chair and Professional Accountancy Organization Development Advisory Group \(PAODAG\)](#)

I want to highlight two leadership positions—the IFAC Deputy President and the PAODAG Chair. IFAC Board members and experienced leaders with a proven record of IFAC service are encouraged to consider the Deputy President role to become the future leader of the global profession. For the PAODAG Chair, candidates with extensive experience in senior leadership roles, particularly in capacity building and/or donor engagement, are encouraged to apply.

We have also opened a number of positions on the IPAE and the PAIBAG to qualified candidates from *outside* the IFAC Member network. This allows us to broaden our reach and enrich our collective impact—welcoming nominations from governments, the Forum of Firms, multinational organizations, and others—while keeping our Member organizations at the heart of what we do.

Nominations are due on **January 31, 2026**. Please contact the IFAC team and me at nominations@ifac.org if you wish to discuss these opportunities further or have any questions. I would also appreciate it if you could share this information with colleagues who may be interested.

[Nominate](#)

Your expertise, leadership, and commitment are what move our profession forward, strengthening the next generation, elevating the profession overall, and enriching your own journey along the way.

Thank you, as always, for your continued support of IFAC and the global profession.

Warm regards,

Lee White
IFAC CEO
